Rockdale Positive Parenting Program

A family support program for young parents

pcar@bellsouth.net

What is Rockdale Positive Parenting?

Rockdale Positive Parenting is a home visitation program designed to support young families.

Rockdale Positive Parenting Program knows that new parents often welcome support and information because *babies don't come with instructions!*

What is a Family Support Coordinator?

- A Family Support Coordinator is a qualified and experienced individual who understands your parenting needs and stresses.
- Family support coordinators are trained to help you with your specific questions and problems about being a parent.
- Family Support Coordinators help you solve problems involving your baby and all aspects of family life.

What can a Family Support Coordinator do for my baby?

Your Family Support Worker will offer information on -

- Recognizing your baby's needs
 - Caring for your baby while still taking care of yourself
 - What to expect as your baby grows
 - Making your home "baby safe"
 - Encouraging your baby's development
-

What can a Family Support Coordinator do for me?

Provide additional information and support on issues such as -

- Caring for and nurturing your baby
- Budgeting and finances
- Transportation
- Effective discipline for your child
- Ways to continue your education
- Employment
- Accessing appropriate community services
